BUILD A BETTER WORLD FOR WOMEN AND GIRLS

Welcome to Zonta International

You are now part of a global human rights organization and network of individuals, like you, who are committed to equality, human rights and a life free of violence for all women and girls. Thank you for joining us!

Our Mission

Zonta International is a leading global organization of individuals working together to **build a better world for women and girls.**

Our Vision

Zonta International envisions a world in which women's rights are recognized as human rights and every woman is able to achieve her full potential.

In such a world, women have access to all resources and are represented in decision-making positions on an equal basis with men.

In such a world, no woman lives in fear of violence.

History in Brief

Early Zontians were among the first generation of college-educated women, the first generation of North American women to vote and a part of the growing, though still comparatively small, legion of women entering the workforce. They had a commitment to ensure equal rights for women and improving women's lives.

Zonta's first club was chartered in Buffalo, New York, on 8 November 1919.

Now in its second century, Zonta remains dedicated to its mission and focused on key topics to achieve that mission such as elevating women to decision-making positions, demanding climate justice, eliminating gender-based violence and addressing education equality.

Where We Are Located

There are almost 1,100 Zonta clubs in 64 countries as of 2024. Zonta International Headquarters is located in Oak Brook, Illinois, USA.

Zonta Emblem

Zonta, meaning honest and trustworthy, is derived from Lakhota (Teton Dakota), a language of the Native American Sioux peoples. It was adopted in 1919 to symbolize the combined qualities of honesty and trust, inspiration, and the ability to work together for service and world understanding.

Zonta Rose

Since 1999, the Zonta Rose has served as the symbol of Zonta Rose Day, which falls on 8 March and coincides with International Women's Day. On this special day, Zontians worldwide are encouraged to publicly distribute, virtually or otherwise, yellow roses, or items bearing the image of yellow roses, accompanied by information about Zonta International, Zonta Foundation for Women and issues relating to improving the lives of women and girls.

What We Do

Advocacy

Zonta International is nonpartisan and nonsectarian. Zonta advocacy is action taken in “the public interest” or for “the greater good” with respect to empowering women and girls and promoting and protecting their human rights.

International

Zonta International uses its strong voice to present our priorities and demand focused action when advocating for gender equality and women’s human rights worldwide.

Through statements, United Nations (UN) actions and partnerships, Zonta works for gender equity in education, climate justice, supporting women in leadership and ending gender-based violence.

Zonta advocates primarily through its General Consultative Status with ECOSOC at the UN and its Participatory Status at the Council of Europe (CoE). Zonta International has been affiliated with the UN since 1969 and has been represented in the CoE since 1983. For decades, Zonta also has partnered with UNICEF, UNFPA and other global organizations.

National

Through national unions, caucuses and alliances, districts, areas and clubs draft letters and send petitions to national governments to initiate or influence hearings and legislation on issues affecting women and girls.

Local

Zonta clubs and all members monitor laws and policies and their impact on women, participate in hearings and public meetings with local politicians and administrators and host speakers and panels to raise awareness about issues affecting women and girls at the local level.

Zonta Says NO to Violence Against Women Campaign

ZONTA SAYS NO TO VIOLENCE AGAINST WOMEN

In 2012, Zonta International launched “Zonta Says NO to Violence Against Women,” a global campaign to raise awareness of and increase advocacy actions to end violence against women and girls around the world.

Every year, during the 16 Days of Activism Against Gender Based Violence (25 November–10 December), Zonta clubs and Zontians around the world take action and advocate to end gender-based violence in all its forms. [Learn more at www.zontasaysno.com](http://www.zontasaysno.com).
